OFFICE OF THE ASSISTANT ADMINISTRATOR FOR CONSERVATION

Admiral Stansfield Turner Director Central Intelligence Agency Washington, D. C. 20505

Dear Admiral Turner:

The purpose of this letter is to express my deep appreciation for the insights into the international energy situation that were provided to the Energy Research and Development Administration (Conservation) by of the Central Intelligence Agency's Office of Economic Research. These two individuals presented a briefing to me and my senior staff on April 22 at our request. The briefing was generally outstanding, and the results they presented are, at the very least, cogent and provocative. We are especially pleased to have the opportunity to add this new perspective to our own analysis of the role of energy conservation. In this context, I look forward to further cooperation between our staffs.

Sincerely,

Gene G. Mannella

Acting Assistant Administrator for Conservation
